

Show Fraud Who's Boss.

CardValet

In response to ever growing fraud concerns, DFDFCU has launched our new card security feature, CardValet. It's an easy-to-use app that empowers you to take control of your transactions and it's available for download now in your mobile app store.

With CardValet you can temporarily lock your DFDFCU debit cards, then quickly unlock them when you want to use them. CardValet also lets you:

- Establish per-transaction amount spending limits*
- Block transactions for certain merchant categories*
- Manage and review debit card usage for your dependents on your account
- And MUCH MORE!

It's easy to get a handle on fraud protection.
Simply download the CardValet app from your mobile device today.
